

## **Best Practices**

**Student Union Election** - Student Union Election plays an important role in political education of the students. However, of late, such elections have become synonymous with blatant show of money and muscle power. Thankfully, these elections at Mahila Vidyalaya Degree College provide a refreshing contrast to such exercise elsewhere. Hailed by all local newspapers and observers as being uniquely different, student union elections in the college involve Distribution of handwritten bills, person to person contacts and open debates where every candidate discusses every agenda. Issues discussed and debated confine mostly to student welfare measures such as Library and games facilities etc. Practices like mudslinging and character assassination are conspicuous by their absence. Right from notification to holding of free and fair ballot to counting of votes to declaration of results - every exercise is held in the most transparent manner. Newspapers call it an exercise worth evaluating.

**Scholarship for General candidates who are Meritorious** - Our college helps in the study of financially weak students of “General” category. The college has old convention that some good students of “General” category who excelled in their academics should get the benefit of college financial assistance. If their family’s financial condition is not allowing them to study, they are not forced to discontinue their studies on account of financial inconsistency. In the year of 2018-19, Fourteen students have got assistance by the college.
